

TRAINING PROGRAM INFORMATION

HOLZ-HER SOFTWARE CLASSES

Thank you for your interest in Holz-Her Campus Software training. Weinig Holz-Her is the leading manufacturer of panel processing equipment. We offer comprehensive training programs on our machinery to machine operators and programmers. We offer an intensive combination of classroom and hands-on experiences with functioning Holz-Her machinery that ensures increased knowledge and skill on the machines your employees use on the job*.

The Holz-Her Campus Software training program is divided into 4 separate modules:

HOPS aCADemy MT Manager Workcenter

Classes are held at WEINIG/HOLZ-HER West Expo at 4720 E Hunter Avenue, Anaheim, CA 92801. Please plan to arrive in Anaheim the day prior to the start of the class. Class times run from 9 AM to 5 PM each day. Although some days may finish earlier, expect the training day to end around 5:00 p.m.

Course Fees

- **Out-of-warranty machines: \$500.00 / person / attendance day**
- **In-warranty machines: complimentary attendance up to 3 persons within the warranty period**

What is Provided?

- All instructional materials.
- Personal Protection Equipment: safety glasses, ear plugs.
- Snacks and water, complimentary lunch provided for attendees on one day of attendance.

Course Enrollment Process

1. **Email** the registration information to Beth Smith. Beth.smith@weinig.com
2. You will be contacted back for additional information, as needed.
3. You will be emailed a confirmation letter with all necessary information to plan your attendance and travel.

NOTE: Your enrollment is not confirmed until you receive the confirmation letter by email.

*Every effort is made to teach on the same machinery used on your jobsite. There are some situations where that is not feasible. Machinery that is out of production or not in our facility may not be able to be trained on; however a similar model may be available. Your Weinig training coordinator will notify you of these situations.
